System Access Across Assessments and Setup

Marcy Fortner will hold a 1-hour session to discuss the steps for setting up access to test delivery portals and best practices for managing user roles.

This focused webinar is designed to support educational practitioners such as district and school-level personnel involved in local assessment and accountability determinations, local data-driven decision-making actions, and/or continuous improvement processes. If you are a Superintendent, Principal, System Test Coordinator, Curriculum Director, Data Specialist, K-12 Educator, or school building staff this session may be of interest to you.

Once every month on Wednesday at 3:30 PM throughout the 2021–2022 school year.

**Mark the calendar:** [**Wednesday, September 15, 2021**]

Save the time: [**3:30 PM – 4:30 PM**]

The Assessment Team is inviting educational practitioners to learn more about balanced assessments systems and strategies for implementing high-quality local assessment/data literacy practices including creating local cultures and climates around data-driven decision-making. A total of 11 webinars will be offered during the 2021–2022 school year from August 2021 to June 2022.

This focused webinar will meet the following objectives:
- ☑ Best practices for managing user accounts.
- ☑ Step-by-step instructions for setting up user accounts in the assessment portals.
- ☑ A review of what is available on the assessment portals.
- ☑ Key Dates and Deadlines.
- ☑ Open Forum for Questions/Clarifications.

The purpose of this focused webinar is to ensure that districts and schools have clear guidance on setting up appropriate access to the state assessment portals while addressing student data privacy. This is a great opportunity for you to familiarize yourself with the assessment portals.
